Dear Image Solutions:

As the Marketing and Promotional Director of ATS, Inc I wanted to be sure and take the time to thank the staff at Image Solutions for all the help they have given us the past 4 months. We have had a very busy season and it has been hectic. I have been very impressed with our copier's capabilities. We have made well over 200,000 copies quarter and I must say the copier has surpassed my expectations. I had no idea we were going to print so many manuals. There were some days the copier worked non-stop in order for us to have the class material our instructors needed.

I would also like to thank the staff for supplying us with printer cartridges in such a timely, prompt manner. I know there were more than a few times they went out of their way to deliver cartridges to us on short notice.

I am very glad our company owner chose Image Solutions.

Thanks Again!
